Meals and refreshments during the conference proceedings are complimentary for two people.

\$3500 Silver Sponsorship

A step up from the Exhibitor classification, the Silver Sponsorship offers to increase your company's visibility at the event through numerous marketing and advertising opportunities above the typical table-top display. The opportunity to sponsor refreshment breaks is an ideal way to capture an attendee's attention between conference sessions. In addition one (1) complimentary registration is included with the opportunity to attend any of the conference proceedings. Any meals or refreshments occurring during the conference proceedings are also included for one person.

\$3000 Conference Proceedings:

What better way to have your company remembered by having your company's logo prominently displayed on a flash drive containing the conference proceedings. Every time a conference attendee uses this flash drive to access the proceedings, they will always see your company's logo first.

\$1250 Exhibitor Only

Having an exhibit is an excellent opportunity to showcase your product and introduce your company to a group of people who have a vested interest in the topic of this conference. To assist attendees in recognizing your products, your business name, logo and product offerings will be displayed in promotional and marketing materials. To gain the most out of this conference you are encouraged to take advantage of the conference technical and conference proceedings.

\$1000 Special Offering (Unmanned Table):

Want the visibility but do not have the resources to attend? Realizing that a company cannot be present at all the conferences they would like, we would like to offer to setup and breakdown your table top display. In addition we would replenish any literature during the sessions and any business cards collected will be sent back to you.
